Hongkong, 11th April, 1892.

LESLIE HALLWARD,

BEG to express through your columns my | Château Lamorèro Mou- 2 315.25 ment, in consequence of my not being able to. read or understand Chinese accounts, have commenced a prosecution against Mr. Koh Cheng Scan, the Chief Manager of the late Opium Farm, with reference to the fauds of the Cheang Tok Kong See. A complete investigation into the matter and a careful examination groundless, and that there has been nothing whatever in Mr. Koh Cheng Sean's management of the business of the Opium Farm that is in any way reprehensible; and further, that he has all along been doing his best, honestly and faithfully, for the banefit of the Cheang Tek Kong Sen.

I should be obliged if you would insert this letter in your correspondence column once, and afterwards as an advertisement for the period of one month, as I am auxious to undo as far as possible any injury I may have, through my hasty and unjustifiable action, inflicted upon Mr. Koh Cheng Soan.

Yours truly, OH TEK LEONG. Hongkong, 23rd March, 1892.

NOW ON SALE IMPERIAL QUARTO. IN NGLISH AND CHINESE DICTIONARY. WITH THE PUSTI AND MENDARIN

PRONUNCIATION. An Anglo-Chinese Dictionary, published at the Milwo. Billigh str., 1.610, Preston, April Daily Press Office, Hongkong. For comprehensiveness and practical service Osala, British str., 1,970, Shaw, April 2, this Work stan is unrivalled. All the new words which the Chinese have of late years been compelled to coin to express the numerous objects in machinery, photography, telegraphy, and in science generally, which the rapid advances of foreign relations has imposed upon them, are here given in extenso. Each and every word is fully illustrated and explained, forming exercises | Satsum, British bark, 364, Suencon, Mor. 2 for students of a most instructive nature. Both the Court and Punti pronunciations are given the accents being carefully marked on the best principle hitherto attained. The typography displays the success of an attempt to make the Chinese and English type correspond in the size of body, thereby effecting a vast economy of space, achieving a clearness not previously attained, and dispensing with those wast margins and vacant spaces which have here ofore characterized Chinese publications.

To illustrate the vast scope of the work the following facts are submitted for consideration:-The sale of this good Scotch increases month Chalmers' Vocabulary opntains about 16,000 Chinese characters and Medhurst's English and Chinese Dictionary about 100,000, whilst this work contains more than 50,000 English words, and upwards of 600,000 Chinese characters. Again, despite all the grammars and other elementary works as yet published, the student of this difficult language absolutely requires examples to display the various appli-

cations and equivalents of different words which

have one general meaning. Of these examples

many as any other Dictionary hitherto pub-For practical purposes the arrangement of the work is so complete, that a reference to its pages enables a person who understands English to communicate effectively with natives who understand nothing but Chinese. In this respectthe work will be found indispensable to all Europeans residing in China, and to the natives thomselves it explains subjects fully with which very few indeed of them are perfectly acquainted.

To parties resident in England and interested in China it cannot but be invaluable occasion-It comprises upwards of two thousand large quarto pages. 4 Vols. IMPERIAL QUARTO, Price, \$20. A Large REDUCTION in PRICE is made
